Worship Service Feedback Request

Pastor Dianne introduced some new elements to services.
What, if any, would you like to keep?

What, if any, would you like reduced or cut?

Are there service elements that you would like to see
introduced/reintroduced to the church? If so, what are they?

What would you prefer for worship music?

Do you have gifts you would like to share in a service? If so,
please let us know your name and what they are (ex.
preaching, teaching, singing, playing an instrument, reading
something you have written, drama, etc.).
